

Technical Delegate Committee Report - August 2022

Welcome to Arlene Gaitan, our newest TD in Region 9! Michael Taylor (Idaho) was the recipient of this year's Veronica Holt grant. The money provided will help the recipient with expenses to apprentice for the 'R' DTD program.

The TD committee, headed up by Jean Kraus, has had a busy year. The committee has been divided up into work task groups, which has been successful in completing various projects. New learning modules that have been created can be viewed on the USDF website. TD's are encouraging competitors to review these modules, especially the attire one.

The past couple years there has been a push to encourage interested people to become TDs. Currently there are 12 people in the apprenticing stage to become new TDs.

USEF has completed the new Annex A (June 2022), and it is available on the USEF website. This document will help competitors with questions about their horses equipment. If your bridle is not pictured, you are encouraged to send a photo directly to USEF for a clarification.

Respectfully submitted,

Carolyn VandenBerg
