

USDF Region 9 Competition Management Report – Mid-Year Meeting – July 2023

2023:

We are compiling a list of Region 9 Management Contacts to be able to send out updates on “What’s new for Competition Management.” In light of some of the more recent USEF rule changes, we think that this will be helpful and also give a Forum for questions. Most management questions that have been received were phone calls to check certain parameters.

Respectfully submitted,

Marilyn Kulifay
Chair, Competition Management Committee
