Volunteer Coordinator - Paula Gregory

Scholarship - Diane Richey

Treasurer - Kelsey Duff

Hospitality - Renee Smith

Parliamentarian- Peggy Seleske

Member at large - Dyanna Lawson

Membership - 72 members

Financially sound

Activities:

Jan. - Awards Banquet and Silent Auction

We are trying to determine maybe some alternatives - We go to the Botanical Gardens, which is quite expensive, and they've even upped the price more, so we've sent out a survey to our members to see if they'd like something different, also what type of awards they would like.

We're looking at what other GMO's do for end of year awards also.

March - our Recognized show which was almost full, after much thought and deliberation, we have decided not to hold a 2027 show as the facility has also upped their prices to more than \$2500 more than last year, and we get the same people doing all the work.

As most clubs have, we have a core group that shows up every year and we have some new people that have come in but we're trying to see what might motivate the other members to get some more involved.

June - Our schooling show which also offers western, Eventing and gaited dressage.

July - Our annual education day and pool party, we had a vet come speak on heat related issues in horses.

Sept- We had a Cavaletti and Long lining clinic, which was very well attended.

A member donated their facility and their expertise as did another member for a long lining.

December - Holiday Party

FWDC offers a Scholarship to members who have volunteered.
